

Board Member Spotlight

Randi Earnest is a lifelong Guernsey County resident. She began working at the Appalachian Behavioral Healthcare Cambridge Campus in 1999 as a unit nurse, then as the midnight shift supervisor, and lastly Clinical Nurse Manager. In 2008, the Cambridge Campus closed. Wanting to continue in the mental health field, Randi accepted the position of Clinical Nurse Manager at the Athens Campus, commuting to Athens for six years. In August of 2014, she was offered the Manager position at the state operated group homes (Liberty Manor and Country Garden Manor). There, Randi was able to see and be a part of the transformation in clients as the moved from a hospital setting to the group home. She found it rewarding to witness and be an active part of helping residents achieve a higher level of independent living. Randi retired on February 28, 2020, allowing her to spend more time with her husband of 52 years, Alan, their two children, eight grandchildren, and one great-grandchild. Randi joined the MHRS Board of Directors to continue serving the population that she dedicated her career to serving and still mean so much to her. Thank you, Randi, for being a part of creating a better community for all!
