At the Mental Health & Recovery Services (MHRS) Board, we are dedicated to helping community residents of all ages find the right places to turn for mental health and alcohol/drug recovery services. These services are provided by not-for-profit contract organizations in Coshocton, Guernsey, Morgan, Muskingum, Noble & Perry Counties. **Planning and Oversight:** The MHRS Board determines what services are needed, allocates funding to organizations to provide those services, and evaluates the services to assure clients are getting the best possible care.
